Mase, MD MPH, recommended measures to promote social distancing such that Library legislative body meetings may be held via teleconference pursuant to Government Code section 54953(e) so long as the Library (1) posts notice and agendas as otherwise provided by the Brown Act and applicable law, (2) allows members of the public to access the meeting via call-in line or internet-based service line, (3) provides details on the agenda on how to access the meeting and give public comment, (4) provides an opportunity to comment pursuant to Government Code section 54954.3 and allows a reasonable amount of time during public comment for a person to register, login, and comment, and (5) monitors the call-in line and/or internet-based service line to ensure no disruption hinders access or ability to comment, if there is, take no action until public access is restored. The Library is not required to provide a location to attend in-person. The Library is complying with these requirements and taking all reasonable steps to ensure that any member of the public may attend, participate, and watch the Library's legislative bodies conduct their business.
